

# CREATE A FORM

DATE:10-11-2022

TEAM ID: PNT2022TMID19593

Connecting nodes using node-red:

After deploying the nodes:

The screenshot shows a web browser displaying a login form. The browser's address bar shows the URL '127.0.0.1:1880/login'. The form has a title 'LOGIN' in bold. Below the title, there are two input fields: 'Username:' and 'Password:'. Below these fields is a 'submit' button.

## LOGIN

Username:

Password:

After clicking on Submit button:

the following data was submitted {"username":"Medcare","password":"medcare"}
